Associated fields : Derivative academic fields of study may both interact with and develop independently of filmmaking, as in film theory and analysis. Fields of academic study have been created that are derivative or dependent on the existence of film, such as film criticism, film history, divisions of film propaganda in authoritarian governments, or psychological on subliminal effects e.g., of a flashing soda can during a screening. These fields may further create derivative fields, such as a movie review section in a newspaper or a television guide. Sub-industries can spin off from film, such as popcorn makers, and film-related toys e.g., Star Wars figures. Sub-industries of pre-existing industries may deal specifically with film, such as product placement and other advertising within films.

Before the advent of digital alternatives, the cost of professional film equipment and stock was also a hurdle to being able to produce, direct, or star in a traditional studio film. But the advent of consumer camcorders in 1985, and more importantly, the arrival of high-resolution digital video in the early 1990s, have lowered the technology barrier to film production significantly. Both production and post-production costs have been significantly lowered in the 2000s, the hardware and software for post-production can be installed in a commodity-based personal computer. Technologies such as DVDs, FireWire connections and a wide variety of professional and consumer-grade video editing software make film-making relatively affordable.

Chinese regulators, as well as the U.S. National Association of Theatre Owners, have highly discouraged film distributors from engaging in this practice, in defense of the cinema industry.145146 Trolls World Tour was released directly to video-on-demand rental upon its release on April 10,137 with limited theatrical screenings in the U.S. via drive-in cinemas.147 NBCUniversal CEO Jeff Shell told The Wall Street Journal on April 28 that the film had reached 0 million in revenue, and stated that the company had not ruled out performing releases in both formats as cinemas reopen.148149
